Écully, August, 28th 2019,

Dear Colleague,

We have the pleasure to invite you to the ISEOR Fall Conference on the 16th and 17th of October, 2019 in Lyon. The theme will be: "Tetranormalization: profusion of standards and business development".

This theme will be associated with testimonies from managers of small and very small businesses, large private or public companies, associations and family, national and international enterprises.

This conference will be an opportunity for you to hear testimonies from companies on the new management methods related to the socio-economic management of standards and norms.

The logistic information can be consulted on our website www.iseor.com : such as the area map, hotels and program :
Please fill out your registration and send it here: colloquaiseor2019@iseor.com

We would be particularly happy to welcome you to our event.

We are at your disposal for any additional information. Hoping to count you among us in Lyon next October, please accept our sincere greetings.

Henri SAVALL et Véronique ZARDET
President ISEOR / Executive Director
